

3113 Rialto

Photos can be positioned horizontally or vertically, simply adhere your photo to the back of the matt and position the matt over the page and adhere. The mounting pages have a 670gsm thickness (our standard dry mounts are 210gsm)

3x4" – actual page size is 6.25" x 6.25" (matt sits in 2mm from every edge and opening size is for a 3x4" photo)

5x7" – actual page size is 8.5" x 8.5" (matt sits 2mm from every edge and opening size is for a 5x7" photo)

Create professional-quality photo displays - easily and cheaply

- ✦ Adhere your picture to the back of the matt

- ✦ Position the matt over the page and affix to page

- ✦ Accommodates horizontal and vertical photos
